ABOUT ME

A versatile Full-Stack Developer with 2+ Years of professional experience specializing in MERN Stack, Next.js, Shopify Development, and Canva Design. Skilled in building modern, scalable, and high-performance web applications and e-commerce solutions, while also creating visually engaging designs and marketing assets using Canva.
Proficient in MongoDB, Supabase SQL, Express.js, React.js, Next.js, Node.js, Shopify, and experienced in RESTful APIs, secure authentication systems, responsive UI/UX, deployment, and e-commerce optimization. I excel in collaborative, Agile environments, delivering clean, efficient code and visually appealing designs that enhance both functionality and user experience.
